Dear Friends and Colleagues,

On behalf of the Organizing Committee, it is my pleasure to invite you to attend the 6th Macedonian Neurology Congress jointly with 2nd International Ohrid Meeting, in Ohrid, Macedonia, from 21st –24th September 2016. They are organized by University Clinic of Neurology in Skopje, Macedonian Neurology Society and Macedonian League Against Epilepsy.

The Congress has been designed to provide a comprehensive overview of the latest developments in neurological medicine, primarily in the areas of stroke, multiple sclerosis, neuroimmunology, Parkinsonism and dementia. International Ohrid Meeting this year is dedicated to epilepsy.

Many distinguished neurologist and scientists from the region as well as international faculty will join and take part in those events. Papers will be presented in the form of plenary sessions, symposia and posters and will include material carefully selected by the Scientific Committee. The congress will give delegates the chance to come together and network with fellow researchers, clinicians and health care practitioners.

We hope that you will enjoy the Congress and that your interaction with your colleagues from many different countries will stimulate a creative exchange of ideas and will be personally rewarding. We also hope and trust that you will enjoy your visit to the very beautiful and exciting city of Ohrid, in September, 2016.

Yours sincerely,

Igor Kuzmanovski
