As the 'City of a Thousand Spires', Prague is one of Europe's architectural gems. From Gothic and Baroque to Renaissance and Art Nouveau styles, the city is also an important UNESCO World Heritage Site. The narrow streets open up onto fantastic squares which are home to medieval-looking homes and historical buildings.

Due to its location in the heart of Central Europe, Prague is very easy to access. The most popular ways of getting to Prague are by plane or by train.

The Prague Congress Centre is adjacent to the Vyšehrad station on the Prague underground railway network, providing convenient access by public transport from the city's airport and all major rail and bus stations.

Václav Havel Airport Prague, formerly Prague Ruzyně International Airport, is located approximately 9 miles (15 km) from the city centre.

We look
forward to
welcoming
you to Prague
in 2021!
